

Evaluation and Review Services

We are skilled in designing and implementing reviews & evaluations incorporating quantitative and qualitative methodologies. We can support you carrying out your own evaluation or design and deliver a full evaluation for you.

What evaluation services does Shelby provide?

- Monitoring & Evaluation Frameworks
- Program Logic
- Program Evaluation
- Individual Stakeholder Consultation
- Focus Group Facilitation
- Case Studies
- Qualitative & Quantitative Data Analysis
- Literature Reviews
- Design and Conduct Surveys
- Business Reviews

Benefits of Evaluation:

- Demonstrates program outcomes to grant providers and other stakeholders
- Identify program strengths
- Identifies program areas that need improvement
- Prompts fresh thinking about your approach
- Objectively determines if the program is achieving what it set out to do.

Working with us:

- Shelby has a strong track record and capacity to evaluate large 'multi-faceted' and 'whole-of-government' initiatives;
- Specialist evaluation skills applied in the fields of education and training, housing, health, justice and law and order.
- Like you, we know consulting isn't about weighty reports that gather dust. We focus on identifying and implementing practical solutions that meet the immediate and future needs of your business.

Results you can rely on:

- ✓ Extensive experience across the field
- ✓ Access to specialist evaluators
- ✓ Clear path from data to conclusions
- ✓ A consultative and flexible approach
- ✓ Pragmatic, fit for purpose reports
- ✓ Easy to read reports

What our clients say:

"It was pleasing to find that Shelby Consulting were always available to talk through issues. It was even more startling that they were prepared to listen!"

"It was good to work with people who understood the Western Australian context and already had a deep knowledge of the public school landscape."

"Shelby Consulting brings their expertise in program evaluation and a range of related skills to the table to provide a tailored and personalised service. They consistently deliver the goods and exceed expectations, offering outstanding value for money."
